

HUSBANDS RECOMMEND AND USE WIVES KEEP PE-RU-NA IN THE DAUGHTERS FIND PE-RU-NA AN IN- VALUABLE FRIEND IN SONS

EVERYWHERE THE ENGLISH LANGUAGE IS SPOKEN PE-RU-NA IS USED
BY MEN AND WOMEN ALIKE FOR ALL CATARRHAL DISEASES.

MISS N. NIEMANN.

MISS NETTIE NIEMANN, White Mount, Wis., writes: "The Peruna Medicine Co., Columbus, O."

"I have been afflicted since childhood with a most unpleasant catarrh of the head. Nothing I did seemed to cure me and when I caught a cold my troubles increased. While visiting a friend I learned the real value of Peruna. I had often heard it praised, but never paid serious attention to it. My friend, however, had been cured of catarrh by Pe-

runa and I decided to use it faithfully and await results. I am glad to say that my greatest expectations were realized and I was surprised to find how readily I was cured and how speedily. Within a month all the catarrh was out of my system and I have not been troubled a particle since. I do recommend Peruna for catarrh."—Miss Nettie Niemann.

Miss Mabel H. Ellis, president of the Woman's Athena club, Trout Creek, Mich., says: "I suffered for three years with chronic catarrh of the bronchial tubes and found no relief until I tried Peruna. Seven weeks' constant use of Peruna cured me permanently."—Mabel Helen Ellis.

Catarrh Destroys More Lives Every Year Than All Epidemics Combined.

MISS ELIZABETH UEBER.

not have any reason to dread this any more. If I have been at all exposed to damp, wet or cold weather, I take a dose or two of Peruna, and it throws out any bacteria from my system."—Miss Elizabeth Ueber.

GENEVA PARKER.

Miss Geneva Parker, an actress of New York City, in a letter from 114 E. 25th street, New York City, says: "Gentlemen—I have suffered for years with catarrh of the stomach—especially after a season's travel. Your valuable Peruna was recommended to me this spring by a professional friend, and after three months of its use I am happy to say I am a well woman. Highest praise to Peruna."—Miss Geneva Parker.

Peruna cures all such cases of dyspepsia, simply because it cures catarrh wherever located. The reason so many cases of dyspepsia suffer on and on without any relief, trying this medicine and that medicine, is that these conditions are not recognized as catarrh of the stomach.

Any one suffering from dyspepsia, having tried the ordinary remedies without relief, would be safe to assume that their case is one of catarrh of the stomach, and should at once begin a course of Peruna. Peruna is sure to cure these cases. It never fails.

MISS DELLA JANVEAU.

Miss Della Janveau, Globe hotel, Ottawa, Ont., is from one of the oldest and best-known French-Canadian families in Canada. In a recent letter to The Peruna Medicine Co. of Columbus, Ohio, she says: "Last spring my blood seemed clogged up, my digestion poor, my head ached and I felt languid and tired all the time. My physician prescribed for me, but a friend advised me to try Peruna. I tried it and am pleased to state that I found it a wonderful cleanser and purifier of the system."—Miss Della Janveau.

All Dainty Women Dread Chronic Catarrh

Hacking, Spitting, Coughing, Sneezing, Cured by Pe-ru-na.

Miss Hertha Munn, 608 Atlantic St., Appleton, Wis., writes: "I tried catarrh remedies, some of which guaranteed a cure or money refunded, and have taken as high as eight bottles of some without any material benefit. I had made up my mind that all were worthless, so I took a great deal of persuasion to get me to try Peruna. But I bless the friend who persuaded me, as I had not taken one bottle before my head and throat began to clear up, and the hacking and spitting ceased and when four bottles had been used there was not a trace of catarrh in my body. It is a great relief to be clear of it."—Miss Hertha Munn.

Catarrh Sixteen Years. Mrs. Elizabeth Scherer, Monte Vista, Colo., writes: "For sixteen years I suffered with catarrh and stomach trouble. I doctored and took patent medicines without benefit. I read in one of your almanacs about Peruna and thought it would perhaps help me. I have used nothing at all in the way of remedies except Peruna for about two years, and my health could not be better than I now enjoy. This remedy is also good for coughs and colds. I shall never be without it in my house."

Don't Neglect Colds; Colds Are Dangerous

A Case Where a Common Cold Deranged the Whole System.

Mrs. M. J. Brink, No. 829 Michigan Ave., St. Joseph, Mich., writes: "This past winter during the wet and cold weather I caught a sudden and severe cold, which developed a catarrhal condition through my entire system, and so affected my general health that I was completely broken down and became nervous and hysterical and unfit to supervise my home. My physician prescribed for me, but somehow his medicine did me no good. Reading of Peruna, I decided to try it. After I had taken but three bottles I found myself in fine health."—Mrs. M. J. Brink.

Peruna is not simply a palliative, to relieve some of the most distressing symptoms of catarrh. It is a permanent and radical cure. A multitude of women are praising it every day.

Headache, Backache, Pe-ru-na Cures

"I Am Perfectly Well," Says Mrs. Martin of Brooklyn, "Pe-ru-na Cured Me."

Mrs. Anna Martin, 47 Hoyt street, Brooklyn, N. Y., writes: "Peruna did so much for me that I feel it my duty to recommend it to others who may be similarly afflicted. About a year ago my health was completely broken down; had backache, dizziness and irregularities, and life seemed dark indeed. We had used Peruna in our home as a tonic and for colds and catarrh, and I decided to try it for my trouble. In less than three months I became regular, my pains had entirely disappeared, and I am now perfectly well."—Mrs. Anna Martin.

It is no longer a question as to whether Peruna can be relied on to cure all such cases. During the many years in which Peruna has been put to test in all forms and stages of acute and chronic catarrh no one year has put this remedy to greater test than the past year.

Peruna is the acknowledged catarrh remedy of the age. Dr. Hartman, the compounder of Peruna, has written a book on the phases of catarrh peculiar to women, entitled "Health and Beauty." It will be sent free to any address by The Peruna Medicine Co., Columbus, Ohio.

Prominent People Cured of Catarrh

Would these Two Cures Be Made if Some Remedy Had Been Substituted for Peruna

Attorney D. Young, counselor of Aurora lodge No. 68, of the Mystic Workers of the World, writes from 162 South Broadway, Aurora, Ill., as follows: "I have been a member of this lodge for eight years before I found anything that would help me. I have wasted hundreds of dollars trying to get relief, and never found any until I read what Peruna claimed to do for catarrh. A few bottles cured me completely; it not only cured my catarrh, but invigorated my whole system, until today I feel ten years younger, and in complete and perfect health—in fact, a new man, thanks to Peruna."—Delancy Young.

Hon. W. S. Lane, Ordinary (Probate Judge) for Wilkes county, Ga., writes from Washington, Ga., the following letter: "The Peruna Medicine Co., Columbus, O."

"Gentlemen—This is to certify that I have used two and one-half bottles of Peruna for a very bad case of catarrh, and am happy to say to you that I have been entirely cured and gladly recommend Peruna to any one suffering from catarrh in any form. Have also used it in my family with satisfactory results, both as a tonic and remedy for catarrh."—W. S. Lane.

Many Have Catarrh Who Don't Suspect It

Peruna Is a Tonic That Cleanses the System of All Catarrh.

Diseased nerves are directly traceable to poor digestion, and poor digestion is directly traceable to catarrh. With the slightest catarrh of the stomach no one can have good digestion.

Very few of the many women who have catarrh of the stomach suspect that their real trouble is. They know they belch after meals, have sour stomach, a sensation of weight or heaviness, a fullness, irregular appetite, drowsiness, gnawing, empty sensations, and they all know this, but they do not know that their trouble is catarrh of the stomach. If they did they would take Peruna.

Peruna cures catarrh wherever located. As soon as Peruna removes catarrh from the stomach the digestion becomes good, appetite regular, nerves strong, and trouble vanishes. Peruna strengthens weak nerves, not by temporarily stimulating them, but by removing the cause of weak nerves—poor digestion. That is the only cure that lasts. Remove the cause; Nature will do the rest. Peruna removes the cause. If the symptoms are a general feeling of lassitude, poor circulation of the blood, restless, disturbed sleep, with fantastic dreams, confusion of mind, craving appetite, nervousness, indigestion, nervousness, etc., Peruna is adapted to the case, and never fails to cure every case.

A Georgia Congressman Endorses Pe-ru-na

One of Over Fifty Members of Congress Who Praise Pe-ru-na.

Col. L. I. Livingston, member of the Industrial Commission and the leading Democratic member of the Committee on Appropriations in the House of Representatives, whose home is at Atlanta, Ga., writes the following in regard to Peruna, the catarrh cure.

Col. Livingston says: "I take pleasure in joining with Gen. Wheeler, Congressman Brewer and others in recommending Peruna as an excellent tonic and a catarrh cure."—Col. L. I. Livingston.

Peruna is recommended by more men of prominence than any other proprietary medicine.

Peruna cures catarrh wherever located. Peruna is not a guess nor an experiment—it is an absolute scientific certainty. Peruna has no substitutes or rivals. Insist upon having Peruna.

Few Women Free From Pelvic Catarrh

Catarrh of the Pelvic Organs Is the Bane of the Female Sex.

Mr. Florence Atkins, 922 Forsythe St., Toledo, O., writes: "I am today cured of that dreadful disease I wrote to you about when I asked your advice. I at once began taking Peruna and Manly and have just finished the fifth bottle. It has cured me of leucorrhoea. I had the trouble for nine months and had given up hope of ever being strong again. I cannot tell how happy I feel, but you will know. I never heard of such a medicine. It is the only medicine on earth. I will always keep Peruna in my house."

"I cannot find anything to talk about from morning till night but Peruna. I was a sick woman when I first wrote you. I have a bright, clear color now, and I am altogether a well woman."

"Peruna is the most marvellous I ever had on this earth—it must be praised—it cured me."—Mrs. Florence Atkins.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case, and he will be pleased to give you his valuable advice gratis.

AROUSED THE PEOPLE TO HIGHER IDEALS

Good Effect of the Work Done by Prof. Clark in His Lectures and Recitals in Salt Lake During the Past Ten Days.

Prof. S. H. Clark has left Salt Lake, but the fruits of his work have been left behind. Those who have followed him closely in his recitals and lectures certainly have reached some new ideas worth keeping, and have been stimulated with a desire to read more and better literature than has been their custom heretofore.

To begin with Mr. Clark is a student in the broadest and most comprehensive sense of the word, and he has given to his hearers during the last fortnight the precious literary and ethical truths which are the result of long and hard work. While here he has interpreted twelve of the greatest masterpieces in literature, and referred briefly but comprehensively to as many more. He has pointed out their beauties and presented to his audiences living men and women.

Thorough in His Work. His depicting of character has been especially commendable. He is so well acquainted with his characters, he understands them in all their moods and various attitudes and makes so much of the finer points which to the student had no meaning before. The depth and breadth of his character work is such that he almost makes his audience doubt that the author intended to express all that Mr. Clark gets out of his characters. But let this fact be as it may, no one can hear Mr. Clark in a dramatic recital without understanding why he finds pleasure in studying literature. His interpretative ability and range of vision is truly remarkable.

He was especially practicable, and were filled with good, hard common sense. But better than this, there was a spirit behind these words which stimulated his hearers to action. While speaking at the University he urged the students to form clubs whose duties it should be to take care of the campus and decorate the buildings. The preps immediately organized, and tomorrow a permanent organization will be established among them for the purpose of decorating the museum building and keeping it in the best possible condition. The museum building is the home of the preps, and they are determined to keep it in good shape. A similar movement is on foot among the college members, and a number of clubs will be formed in the near future for taking care of and beautifying the campus.

In speaking to the students of the L. D. S. University Mr. Clark made a similar suggestion, and 500 of the students immediately contributed 10 cents each to be used for the purpose of purchasing art decorations for decorating Barratt hall. The \$50 were placed at Mr. Clark's disposal, to be expended by him for this purpose.

As a result of his speech at the Ladies' Literary club it is more than likely that this club will call a general mass meeting for the purpose of arousing the people to a just responsibility of their duties in educational matters.
